# About us

Established in 1991, we are one of the leading manufacturers of raw materials for all the major steel, paper, aluminum and chemical industries in India.

We have also diversified ourselves in other platforms like mining, logistics, e-commerce and e-waste. We are committed to embracing the next generation technology for the ultimate benefit of our customers, employees and stake holders.

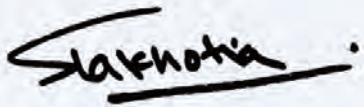

Being a successful company and based on our service and quality, SR Group has been awarded with the title of **"Best Growing Business"** by *CNBC* in 2010-11.

## Director's note

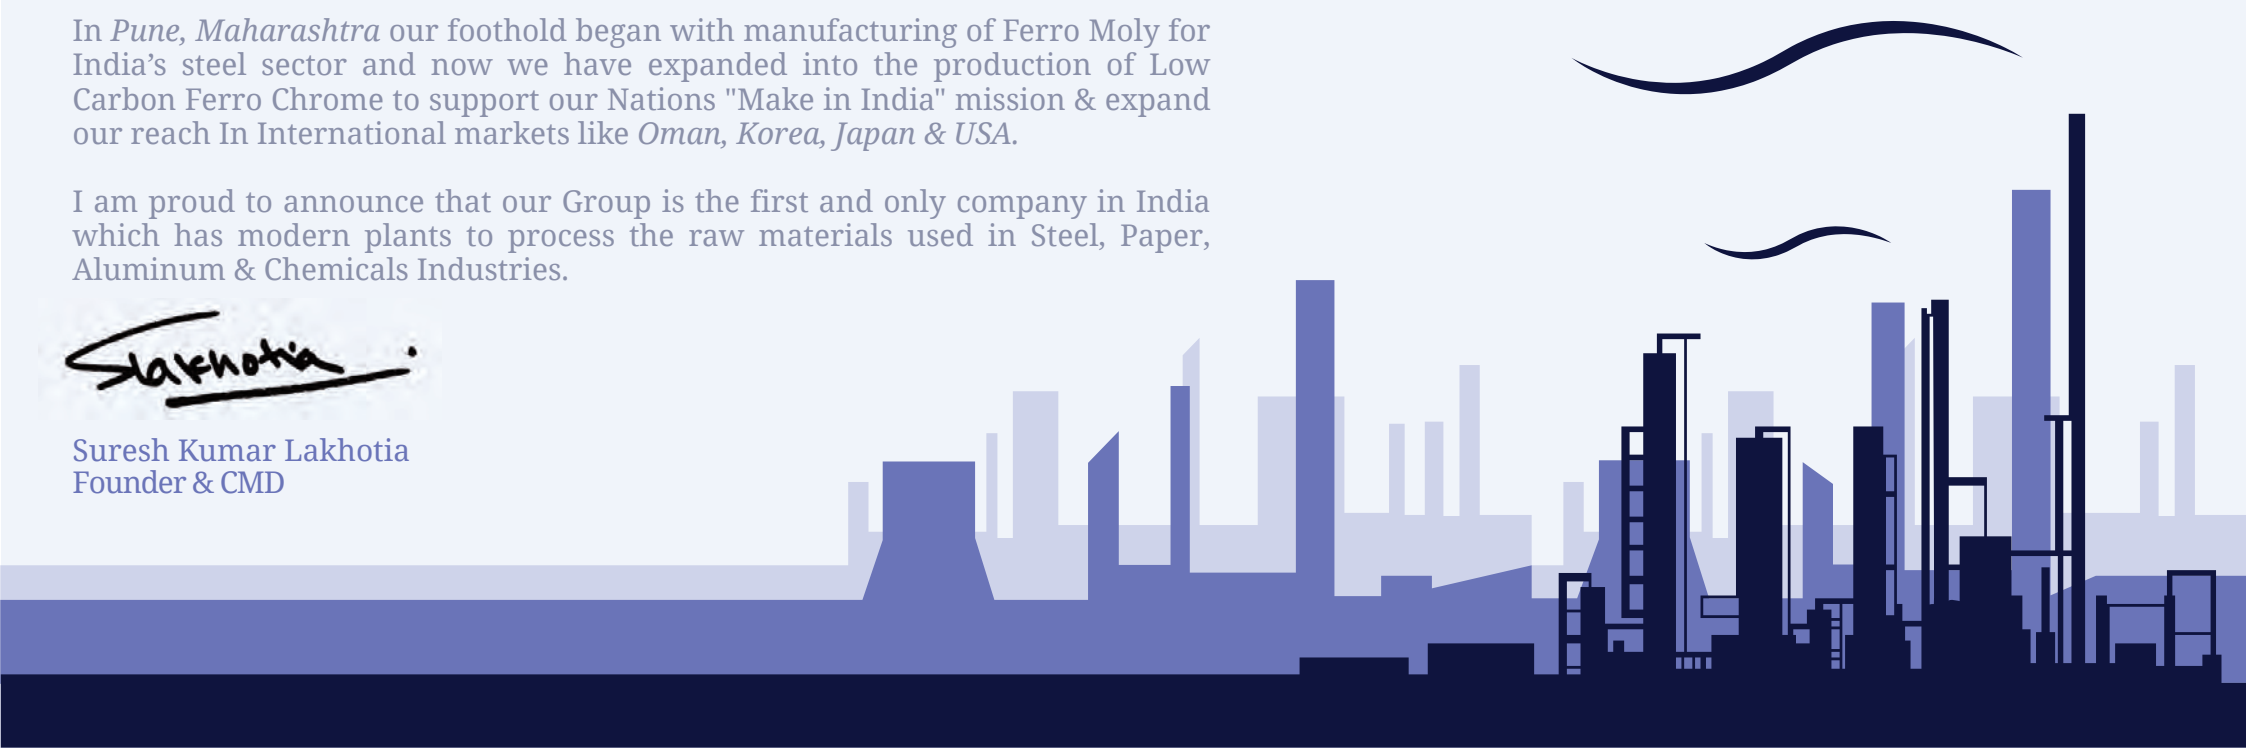

After Successfully positioning ourselves as the most preferred manufacturer & processor of raw materials, such as Quick lime and Dolomite in *Jodhpur, Rajasthan* to the Indian steel Industry , SR Group has expanded its product range through Projects in *Vizag, Andhra Pradesh* for Fluorspar production.

In *Pune, Maharashtra* our foothold began with manufacturing of Ferro Moly for India's steel sector and now we have expanded into the production of Low Carbon Ferro Chrome to support our Nations "Make in India" mission & expand our reach In International markets like *Oman, Korea, Japan & USA*.

I am proud to announce that our Group is the first and only company in India which has modern plants to process the raw materials used in Steel, Paper, Aluminum & Chemicals Industries.
